

All about Thunderstorms

The event will discuss the three different stages of thunderstorms and all the different types of adverse weather associated with thunderstorms. The presentation will also cover forecasting thunderstorms, including the lifted index and the K index.

Directions: Enter through the main entrance to Pilot Pete's. Follow the stairs on the left down to the lower level then follow the signs to the Northwest Flyers Hangar.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
